

Khan Academy

Grading Table by Quarter

Your level of mastery of the *Khan Academy Seventh-Grade Course* will be **graded four times this year, once per quarter**. Your goal is to reach 100% mastery of the seventh-grade content standards by the end of the school year. The table below illustrates the expectations of your progress on Khan Academy per quarter, as well as how you will be graded on that progression. You can earn up to **20 points per quarter** for your Khan Academy mastery.
